Dear Representative,

Let me be the first to welcome you to iJango, the Center of the Online Universe! And congratulations on being a part of history in the making!

As the official launch date of iJango is August 1, 2009, you have joined us during our pre-launch phase. During this phase, your number one goal is to build your organization. Sign up as many Representatives as possible now so that you can be poised to explode your organization come August.

If you have not already registered for the launch event on August 1, 2009, you may do so through www.ijango.biz. This event will be held at the Encore Hotel in Las Vegas, Nevada and is free to attend. We will have a Founders Promotion available only to those who attend the Vegas launch party, so do not miss out on the biggest event in network marketing history!

Upon the launch on August 1, 2009, your iJango portal will be fully functional and you may then start to sign up free customers. In addition your new back office will be released to you, so that you have access to all of the necessary reports and support you need to become successful in this venture. In the meantime, take a few minutes to familiarize with your current back office.

If you need any help with getting started, please don't hesitate to submit a ticket in your back office or call the Representative Success department at 888-WEJANGO. I am excited that you are going to be part of network marketing history with us. Here's to your financial freedom and unbelievable success!
